PROFILE

Certified diving instructor with cross-agency experience (IAC, CMAS, SSI), actively teaching since 2021. Strong background in Open Water training and a wide spectrum of specialty courses, with an emphasis on safe, structured, and calm instruction.

I am available part-time or seasonally, primarily to support dive centers during peak periods, instructor shortages, or pre-scheduled Open Water course blocks. I am not seeking a full-time or managerial role, but rather reliable instructional work within established dive operations.

TEACHING EXPERIENCE

- 33 Open Water certifications completed
- Dozens of specialty courses taught
- Approx. 1,000 total dives
- Extensive experience in cold water, dry suit, and limited visibility, as well as Mediterranean and Red Sea environments
- Technical and extended-range diving background

Nautical Qualifications

- Croatian Skipper License, Valid throughout the Mediterranean

Equipment & Insurance

- Full personal instructor equipment kit
- Full extended-range / technical diving gear
- Instructor liability insurance in place

Teaching Qualifications (SSI)

- OPEN WATER DIVER
- ADVANCED OPEN WATER DIVER
- DIVE GUIDE / DIVEMASTER

SPECIALTY COURSES

- BOAT DIVING
- COMPUTER DIVING
- DECOMPRESSION DIVING
- DEEP DIVING
- DRY SUIT DIVING
- ENRICHED AIR NITROX
- INDEPENDENT DIVING
- NAVIGATION
- NIGHT DIVING & LIMITED VISIBILITY
- PERFECT BUOYANCY
- GAS BLENDER
- EQUIPMENT TECHNIQUES
- RECREATIONAL SIDEMOUNT DIVING
- SCIENCE OF DIVING
- DPV DIVING
- WAVES, TIDES & CURRENTS
- STRESS & RESCUE

EMERGENCY TRAINING

- REACT RIGHT

Availability & Working Model

- Part-time / seasonal availability
- Willingness for short-term relocation within the EU

Ideal for:

- Open Water courses blocked Thursday to Sunday
- Peak season coverage
- Temporary instructor replacement
- Comfortable integrating into existing teaching standards and procedures

Languages

- German: Native
- English: Fluent

Medical & Fitness

Excellent physical condition; non-smoker; fit for sustained instructional work.

Additional Background

- Bachelor's degree in Industrial Engineering
- Master's degree in Computer Science

This background contributes to a structured, safety-oriented, and reliable teaching approach, particularly in complex or challenging conditions. I do not seek operational or managerial responsibilities within dive centers.

- Driving Licenses A + B

Personal Statement

I value professional dive operations, clear communication, and adherence to standards. My goal is to provide consistent, safe, and high-quality instruction while fitting seamlessly into the existing team and processes of a dive center.
